

Poster Title (Same title as final paper)
Only the Presenting Student's name and affiliation

Work Presentation

This area should contain :

- Abstracts and key words
- Introduction
- Theory / Methods / Applications / Results
- Conclusion
- References

*You can organize the poster as you want, however, the five logos must be on the poster and the size must not exceed 95(W) x 180(H) cm (**Vertical ONLY**). The recommended size is **90(W) x 120(H) cm**.*

Your name should be separated from your co-authors as this is your poster and not the poster of the co-authors.

You can choose the font, size, color, but make sure that text is readable from at least 1.5 meter distance.

Please note that the poster should be sufficient to understand your work. You are not permitted to use extra-materials, such as tablets, laptop, etc.
